Dear friends and colleagues,

I trust preparations for Advent and Christmas are going well. I write to you in my capability of Chair of the Management Chair for Bedford Street Angels. I apologise to those of you who will receive this more than once, as this email will also be distributed by Alan Leadwick, Chair of All Bedford Churches Together. I am keen that all churches have the opportunity to have this letter shared with them.

Please find attached a letter which I have written to be shared in churches this coming weekend. It is my hope that churches reflect again and afresh on their commitment to the work of Bedford Street Angels.

I have also attached some resources about different ways in which churches and groups can be involved in the work of Bedford Street Angels. For those churches who wish to offer a financial gift to the work of the project, please contact Adam May, our Project Coordinator on 07532 371 311 or coordinator@bedfordstreetangels.org.uk in advance to discuss payment options. We would be most grateful if direct bank transactions were possible rather than cheques.

Since taking up post as Project Coordinator, Adam is still making my way round the various local churches speaking to congregations and groups about the work of Bedford Street Angels. However, there are still a number of churches which I am keen hear again and afresh the work that Bedford Street Angels is doing.

Adam is unlikely to be able to attend a Sunday service or meeting on a morning until in the New Year, although there might be a possibility of one evening or weekday meeting.

Please do contact him if you want to take advantage of this. All talks are catered for your purpose - length of time and whether it is a sermon/address, presentation etc.

If you wish to know anything else about the work of Bedford Street Angels, please do not hesitate to contact our Project Coordinator in the first instance.

Many thanks to all those who have and continue to support the work of Bedford Street Angels,

Every Blessing

Ian
