News from the Streets:

Over the Christmas period we were asked by Bed:Safe to cover some extra nights, which we were pleased to do. But this does stretch our team of street walkers and prayer team.

There is a small core that regularly turn out and we give thanks to God for their commitment. Other folk we see less often and are not sure why this is. Do pray that we will be sensitive to what the Lord is saying and if we need to change anything.

Praise Details:

- A team has always gone out when required
- For good PR with all those we encounter
- God's faithfulness in walking with us

Prayer Details:

- For Ian, Adam and the committee making future plans
- Getting the word out to the Churches for more Angels
- Teams each Sat will sense the Lord's leading
- Wisdom in all their dealings with the public
- Plans for our Celebration Service Sat 6th March
