

Praying for Bedford Street Angels

March: 6th, 13th, 20th, 27th
April: 3rd, 10th, 17th, 24th

News from the Streets:

The teams have really appreciated invitations inside the clubs for a welcome hot drink during the bitter weather. The cold probably kept/sent folk home early, so many nights saw less activity than usual, though pay day at the end of each month draws them back! With temps below zero the Salvation Army opens up for the homeless to have overnight accommodation.

Praise Details:

- Our 1st year anniversary Celebration on 6th March : -)
- The good will expressed to BSA from 'officialdom' and the public
- Though slow to sign up, a team has always gone out each Sat night
- God's faithfulness in walking the streets with us

Prayer Details:

- Follow up of individuals and Churches who expressed interest at the Celebration
- Sufficient 'Angels' each Sat for the needs of that night
- God's continued presence, protection and leading
- Safety for all those out in the town on a Sat night
- Development of initial plans for a joint project to provide a Safe Space in town each Fri and Sat night
