### News of Bedford Street Angels:

All this year we have been using St John's Hall as our base on a Sat. night but whilst it is being refurbished we have moved (for the summer), to St Peter's Chapter House. Plans are under way for a BSA Celebration on Sat. 8<sup>th</sup> Oct at Christ Church, a service and meal for all volunteers, supporters and interested parties. Do plan to join us ☺  
During the summer, with volunteers away on holiday, it will often prove difficult to get 2 teams out each Sat. night. We would like to see more folk coming forward to join this service to our town, it certainly is very worth while and appreciated.

### News from the Streets:

The teams are often called upon now to help youngsters who are the worse for drink; it's not always easy to find taxis prepared to give them a ride home in this state. Giving support to girls on their own, either singly or in small groups is another role that BSA have taken on/been called to do. Sometimes it's a case of waiting with them until a taxi is found, or shadowing their progress down the street to step in if they become prey to groups of males. Special 'bottle caps' are now being offered to youngsters to prevent their drinks being spiked.

### Praise Details:

- God really has provided the right volunteers each week to meet the needs
- For the support BSA has from Police, Club Managers and Door Staff etc.
- Continued safety and protection on the streets
- For those special 'God Appointments' that arise whilst out
- That knife/gun crime is very rare here

### Prayer Details:

- That BSA will be sensitive at all time to God's leading and direction
- Enough volunteers to man the streets each Sat night through the summer
- That the street teams will be close enough to each venue they are called to
- Physical stamina in the early hours of Sun morning
- Divine wisdom in dealing with each situation encountered
- The need to recruit more volunteers – to avoid burn out of present folk
