SATURDAY 13TH NOVEMBER 2010

10am - 4pm, lunch provided

This is an opportunity:

- to meet together with those who are working to provide something in the community for clubbers, pubbers or any parts of the community that the Church struggles with!
- for those considering this type of ministry in their town for encouragement and advice from people who have gone before and are doing it!
- to share examples of what is being done and tried around the area, warts and all
- to talk with and pray for each other so that participants are built up and encouraged in their work for the kingdom.

For those already engaged in activities such as Street Angels, Street Pastors, Drop In cafés or similar places where the Church is engaging with its community.

For those considering something of this nature.

For those who feel God is nudging them to do something in their community.

To book or for more information contact Julie on:

Tel: 01727 818160

Email: youthoffice@stalbans.anglican.org

Web: www.albandys.org.uk

A day for those already or considering involvement in:

or similar!

Thanks to CNI for supporting this event
